

Sliding Fee Discount Program for Outpatient Services

It is the policy of The Haven to provide substance use services regardless of the client's ability to pay. Discounts are offered based on family size and annual income. The annual income thresholds and fee percentages are provided on the chart below.

The discount will apply to all services received at The Haven's clinics, but not those services or equipment that are purchased from outside entities, including reference laboratory testing, medications, or supplemental treatment materials.

Annual Income Thresholds by Sliding Fee Discount Pay Class and Percent Poverty						
Poverty Level *	At of Below 100%	125%	150%	175%	200%	Above 200%
Family Size	Nominal Fee (\$5)	20% pay	40% pay	60% pay	80% pay	100% pay
1	0 - \$12,490	\$12,451 - \$15,613	\$15,614 - \$18,735	\$18,736 - \$21,858	\$21,859 - \$24,980	\$24,981 +
