We know all of you have great ideas and tons of creativity and we want you to share those ideas with us. You provide the creativity; and we will provide the funding.

There aren't many rules. The project should be something that isn't already funded, and should demonstrate how it supports The Haven's mission, and/or how it can enhance the experience of our clients.

Most importantly it should be something your group is passionate about!

Awards: (Total award \$5,000)

1st Place = \$2,500

2nd Place= \$1,000

3rd, 4th and 5th Place = \$500 each

Each group is asked to provide a 1-Page written proposal to The Haven Board by October 1, 2024, and present a quick verbal 3-Minute overview of your special project to the Board on October 22, 2024.

Written proposals should be limited to 1-page (format of your choosing), summarizing your project. Include project details, the goals of the project, the overall cost and completion timeline and explain how you envision the completed project will enhance the Mission or improve our clients' experience. Please submit these to current Board Chair India Davis at India6308@gmail.com.

The presentation to the Board should be no longer than 3 minutes. This is an opportunity for you to present the key components of your proposal in more detail and convince the Board to choose your project for the grand prize of \$2,500.

While all departments who present a proposal will receive some level of funding, only one project will be awarded the full \$2,500. You may work together.

The placement and Awards will be announced at the Staff Appreciation lunch in November 2024.
